

A gang of three wily thieves has had the detectives running in circles for months. What crimes has the gang committed so far? Decipher the encrypted words and help the detectives to finally catch the villains.

1. What was the target of their first robbery?

Answer: SQWÅS (9)

2. What did the thieves steal?

Answer: NSZNZWLBP (12)

3. What was the thieves' latest target?

Answer: ÖHFUHÖ (17)

4. What did the thieves forget at the crime scene in their latest heist?

Answer: KPSZIW (5)

5. How many thieves did the police catch in the latest heist?

Answer: ADY (11)

What could be the thieves' next target? Decipher these words together in a group and form a sentence. This sentence will help the detectives catch the thieves red-handed.

UDXSPK (16)

LVJÄZL (22)

KFDEQ (27)

EXQJDORZ (4)

TKAZ (7)

JT (2)

PART 1

A gang of three wily thieves has had the detectives running in circles for months. What crimes has the gang committed so far? Decipher the encrypted words and help the detectives to finally catch the villains.

1. What was the target of their first robbery?
Solution: **KIOSK**
2. What did the thieves steal?
Solution: **CHOCOLATE**
3. What was the thieves' latest target?
Solution: **MUSEUM**
4. What did the thieves forget at the crime scene in their latest heist?
Solution: **GLOVES**
5. How many thieves did the police catch in the latest heist?
Solution: **TWO**

PART 2

What could be the thieves' next target? Decipher these words together in a group and form a sentence. This sentence will help the detectives catch the thieves red-handed.

UDXSPK (16)	Solution: FRIDAY
LVJÄZL (22)	Solution: TARGET
KFDEQ (27)	Solution: NIGHT
EXQJDORZ (4)	Solution: BUNGALOW
TKAZ (7)	Solution: NEXT
JT (2)	Solution: IS

The words form the following sentence:
"Next target is bungalow Friday night."
