Minutes

Present: Matti Johansson, Minna Vasankari,
Marko Moisio, Dan Patrick Doepel,
Juha Saarelainen
Absent: instructor Mika Karlstedt

Topics:

- We will demonstrate the system for Tiina next Friday (27.4) and also try to finish the implementation document by then.
- We will determine the integration test cases by circulating a mail so that everyone can make additions to the list. The list should be ready by next Tuesday.
- Those who can will be on the department next Tuesday to do some integration testing.
- Patrick writes a program that converts the log file on disk to a readable format and outputs it with the file status information.

The next meeting is on Tuesday 24.4. at 12:15.
