Chapter 1

Introduction

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.1 First section

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.[1]

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

[1] This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.2 Second section

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.3 Third section

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.3.1 Subsection one

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.3.2 Subsection two

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

Subsubsection one

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

Subsubsection two

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

1.4 Fourth section

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another:

$$S = \sum_{i=0}^{\infty} a^2$$

This is a sample sentence that should look like normal text, and this is another.[2]

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

Theorem 1.1 *This is a sample sentence ($x = x + 2$) that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This x is a sample sentence y that should look like normal text 32, and this is another.*

Proof. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. □

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

Theorem 1.2 *This is a sample sentence that should look like normal text, and this is another:*

$$y = x + 3$$

Proof. This is a sample sentence. □

This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another. This is a sample sentence that should look like normal text, and this is another.

Figure 1.1 shows an example on how figures in the eps format can be included into the text. It gives an example on how figures in the eps format can be included into the text. It gives an example on how figures in the eps format can be included into the text.

[2] A sample footnote.

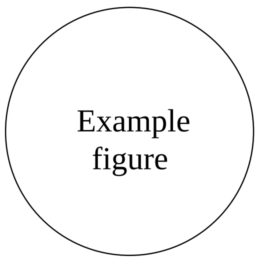

Figure 1.1: Example caption for eps figures.
