In case of changes...

- **Study plan**
  - Check first from your home university, if they require a formal change to be made on paper
    - If yes, fill in the form (provided by your university) and make an appointment with me to formally approve the changes (sign and stamp)
    - Otherwise, it is enough to inform the changes by email to me (your home university may have other procedures)

- **Extending your stay**
  - May be possible, if there are unallocated exchange months remaining in the contract between your university and us
  - Housing may become a problem, don’t leave it too late
At the end of your stay

- If you need me to sign a form as a **proof of your stay**
  - *Make an appointment* with me with a few day’s notice
  - You may also need a signature on the form as a proof for your arrival
  - Institutional coordinators available at the University Main building downtown, if the departmental coordinator’s signature is not enough
At the end of your stay

- You will also need a **transcript of record** of your finished courses here to bring back to your university.
  - *It will not be sent to you automatically*, you have to ask for it from the study office.
    - You can get one free official copy.
  - There can be a 2-4 week delay before a completed course gets registered in Oodi.
  - If you have to leave before all the courses have been registered, send email to sci-info@helsinki.fi and ask them to mail an official copy to you.
And now...
